# Theatre Organizer Module

## Manage Screens

## Add Screen

The screenshot shows a web browser window with the URL `localhost:4200/add-screen/5`. The application header includes the 'SHOW SPOT' logo and a user profile for 'Prathik Balaji'. A navigation bar contains links for 'Manage Screens', 'Manage Shows', 'Manage Movies', and 'Statistics'. The main content area is titled 'Add Screen' and contains three form fields: 'Screen Name' (empty), 'Seating Capacity' (with the value '0'), and 'Screen Type' (empty). Below these fields is a section titled 'Ticket Types' with a '+ Add Ticket Type' button. At the bottom of the form area is a 'Seats' section. The Windows taskbar at the bottom shows the search bar and various application icons.

## Edit screen

The screenshot shows a web browser window with the URL `localhost:4200/edit-screen/10`. The application header and navigation bar are identical to the 'Add Screen' page. The main content area is titled 'Edit Screen' and contains three form fields: 'Screen Name' (with the value 'Gold'), 'Seating Capacity' (with the value '200'), and 'Screen Type' (with the value '2D'). Below these fields is a section titled 'Ticket Types' which contains a table with one row:

Ticket Type Name	Price	
Economy	60	<button>Remove</button>

Below the table, there are empty input fields for 'Ticket Type Name' and 'Price'. The Windows taskbar at the bottom shows the search bar and various application icons.
